As parent or legal guardian of Visitor, I acknowledge the risks inherent in the tour or use of the Facility and assume all responsibility for any harm that Visitor may suffer, including harm cause by the negligence of employees and agents of Inventionland or others. On behalf of myself and Visitor, I covenant not to sue and release, discharge and waive Inventionland, its owners, agents, contractors, employees, officers and directors, and the owners, agents, contractors, employees, officers and directors of the persons or entities owning, occupying visiting or using the Facility, from all claims and liability to myself and to Visitor for any loss, injury or damage whatsoever incurred by myself or Visitor while visiting the Facility.

I acknowledge that I have read this release and waiver of liability, fully understand its terms and its impact on my rights and on Visitor’s rights and agree to its terms freely.
